

18th Japan-Korea Symposium on Catalysis

Nov. 23(Tue)-25(Thu), 2021

Virtual Meeting in Osaka

Invitation

JKSC had been held in every two years since 1987 between the two countries. 18th Japan-Korea Symposium on Catalysis (JKSC) will be held as a virtual event in Osaka, Japan from November 23 to 25, 2021. All lectures and presentations will be provided in a virtual meeting platform.

Scope

The main objective of the symposium is to exchange the latest researches on catalysis and to promote friendship among catalyst scientists and engineers in Korea and Japan. The symposium will cover the fundamental and applied researches on catalysis and reaction engineering for a wide range of applications, such as petrochemical process, sustainable energy production and environmental purification.
