

20<sup>th</sup> International  
Zeolite Conference  
3-8 JULY

The 20th International Zeolite Conference (IZC-2022),  
the largest Worldwide Event in Zeolite and  
Porous Materials, will be organized in-person in  
Valencia (Spain): July 03 - 08, 2022.

Over the past editions, the International Zeolite Conference  
strengthened its position as the main in-person  
meeting point of the zeolite community Worldwide.

#### Confirmed Plenary Speakers

- Jihong Yu, Jilin University (China)
- Tatsuya Okubo, University of Tokyo (Japan)
- Xiaodong Zou, Stockholm University (Sweden)
- Jeffrey Rimer, University of Houston (USA)
- Jurgen Caro, Leibniz University, Hannover (Germany)
- Jörg Kärger, Leipzig University, Leipzig (Germany)

- Bert Sels, Katholieke Universiteit Leuven (Belgium)
- Peter N. R. Vennestrøm, Umicore Denmark ApS (Denmark)

The main Conference will be preceded by an International Zeolite School (July 02-03, 2022) and also a Field Trip to Cabo de Gata – Nijar National Park (Almeria) will be organised after the conference (July 08-10, 2022)
